- A. maintaining a current list of approved bail bond certificate companies.
- B. letting to bail those persons detained for:
 - 1. traffic violations,
 - 2. nontraffic misdemeanors, petty offenses, and ordinance violations.

 - 2. furnish a current listing of acceptable bail bond certificates for publication in the Daily Bulletin on the first of each month.
 - 3. announce additions or deletions from the list of approved bail bond certificate companies via an AMC Message, when appropriate.
- B. Desk personnel of units authorized to let arrestees to bail, police officers who issue personal service citations, and the Office of Emergency Management and Communications dispatchers will retain this list for reference.

III. PROCEDURES FOR LETTING TO BAIL IN TRAFFIC CASES

- A. No Illinois resident charged with a petty traffic offense will be required to post bond and may instead execute a promise to comply by signing the white copy of each of the individual petty offense citations. If they refuse to sign, normal bonding procedures will apply (i.e., post a valid Illinois Drivers License or or other form of bond as listed in III-D of this directive).
- B. Residents of states other than Illinois which are members of the Non-resident Violator Compact (NRVC) are eligible to execute a written promise to comply for minor offenses by signing the individual eligible citations. See the Department directive entitled "**Bond Procedures – Nonresident Violator Compact.**"

NOTE:

A person cited for violation of any provision of the ILCS which requires a court appearance as specified in the Department directive "Mandatory Court Appearance" or the traffic violations listed in the Department directive entitled "Bond Procedures – Nonresident Violator Compact" will not be allowed the option of signing a Promise to Comply in lieu of bail.

C. Bail for certain non-petty offenses may be satisfied by submitting a current valid Illinois driver's license.

2. receipt the bond certificate in the "Bond Deposited" portion of the personal service citation by checking the box labeled "Other" and recording the bail certificate number and the name of the issuing company on the adjacent line.

F. When a motorist indicates a desire or is required to post a bond, he or she will be escorted to the district facility in the district of occurrence or, when the arrest is for driving under the influence of alcohol or drugs (DUI), be transported in accordance with existing Department procedures to the appropriate district facility.

1. When it is necessary to arrest the violator because of a warrant or other offense, the arrest will be processed in the district of occurrence.

3. The procedures for accepting approved bail bond certificates, valid Illinois drivers license, etc., for the traffic violation at the time and place of the traffic violation will still apply.

G. Travelers checks may be accepted as bail if they equal the exact amount of bail or are supplemented with cash to equal the required amount. Change will not be made.

- H. A court appearance may be required for traffic related violations specified in the **Bail Bond Manual** and the Department directive entitled "**Mandatory Court Appearance.**" Officers should not confuse bonding procedures and mandatory appearance procedures as there are differing governing laws.

B. Single Minor Traffic Offense(s) - Requiring a Court Appearance

1. When issuing Personal Service Citations to a traffic violator for minor traffic offense (s) requiring an appearance in court as specified in the Department directive entitled "Mandatory Court Appearance," the Personal Service Citation(s) will be returnable to the issuing sworn member's Minor Courtroom in Traffic Court.

NOTE: "Minor" traffic offenses are non-jailable offenses. "Minor" traffic offenses specifically exclude those offenses returnable to Major or Alternate Major Courtrooms.

The motorist will be required to attend the issued court date **EXCEPT**:
- a. when court appearances are not otherwise required for each of the individual charges and the motorist elects to post a separate cash bond on each charge in which the total amount does not exceed \$500, or
 - b. when court appearances are not otherwise required for each of the individual charges and the motorist elects to post a valid and approved bond certificate for all charges in which the total amount does not exceed \$500.
4. A motorist who elects to post bond may choose to attend the assigned court date provided on the citation. If the motorist elects not to attend the assigned court date provided on the citation, the motorist will have consented to ex parte judgement for each charge.
5. When a motorist elects to post a cash bond (which includes approved debit/credit cards), the motorist will be immediately escorted to the district facility in the district of occurrence in accordance with the Department directive entitled "Bond Procedures." Proper field bonding procedures, such as a promise to comply signature on each citation, will take place before a motorist is escorted to a district facility to post a cash bond.
- NOTE:** Sworn members are reminded that bond for each petty offense is \$120. Bonding for citations under Rule 503 will not exceed four total citations.
